

## **Most Blessed Sacrament Catholic Church, Atlanta 2010 Lenten Charities Nomination Form**

Our Lord Jesus states that his followers should be committed to doing good works and offering charity to those in need. Our members are being asked to “vote” on which one charity or service based institution from five categories - international, national, state-wide, religious, and local - should receive our financial support from the 2010 Parish Lenten Season Charity Tithe. The charities or institutions from the first four categories have already been nominated. We are asking **you** to submit the names of any local charity you believe should be considered for financial support under the “Atlanta / South Metro Local Area Category.”

How will the decision be made as to who receives support? One group from each of the 5 categories will be chosen on the Fifth Sunday of Lent, based on the support it has received through the number of quarters parish members having placed in the coin boxes representing that organization. You may “vote” as many times as you desire. The money which will be donated to the selected charitable organization will come from the use of Lenten Coin Folders, the voting boxes of quarters and a tithe of our Sunday Collections during Lent. Voting will begin on Ash Wednesday, February 17, 2010.

### **Nominate A Favorite Atlanta Charity or Atlanta Service Centered Organization Our Parish Should Support During the 2010 Parish Lenten Season Tithe.**

This Form Is Due Back By Sunday, March 28, 2010

As a member of Most Blessed Sacrament Catholic Church, I would like to nominate the following organizations or ministry for our parish's Lenten Charities. I understand that the nominated organization or ministry must not contradict any teaching of the Holy Catholic Church.

Name of Organization/Ministry:
