

2010-2011 PARENTAL SUPPORT AGREEMENT

The children and teens of Most Blessed Sacrament Catholic parish community are the most precious gifts we receive from our loving Heavenly Father; they are given to us to nurture, protect, form, and help to develop into healthy, mature, loving and faith-filled adults. You and your family form the earliest, most vital “Church” your child will ever experience, for it is there that their basic values and their relationship with God are molded.

Most of our catechists, aides, and coordinators are volunteers who have spent considerable amounts of time preparing our PSR program, the children’s weekly lessons, special events, and their own hearts and minds. These volunteers disciples have also committed additional time to prepare themselves in seminars, workshops and meetings in order to provide our parish’s children with the best faith instruction possible.

To declare a readiness to accept the responsibility of passing on the Catholic Faith, and to demonstrate support of the commitment these dedicated members of our parish have made to our youth, we are asking you as parents to honor the following pledge:

AS A MOST BLESSED SACRAMENT PARENT, I pledge to:

- **Deliver and pick up my child on time from all scheduled PSR Sessions, including Service for Christ days and Youth Prayer Activities;**
- **Spend at least 15 minutes with my child each week, reviewing the PSR lesson and other communications that are sent home;**
- **Bring my child to Sunday Mass weekly and on all other Holy Days of Obligation;**
- **Consider how our family may contribute our time and talent to the PSR program, and, most importantly;**
- **Pray for my child and his/her catechists.**
