

## Parish Offertory Giving Guide

The biblical tithe instructs us to commit 10% of our income to support our church and other charities. The Archdiocese suggests distributing that 10% as follows: 5% to your parish, 1% to the Archdiocesan Annual Appeal and 4% to other charities (example: capital campaigns, second collections, St. Vincent de Paul). If you are unable to commit the full 10% at this time, your gift of any amount is needed and greatly appreciated.

| Annual Household Income | Weekly Donation to the Parish at 5% |
|-------------------------|-------------------------------------|
| 15,000                  | 14.22                               |
| 20,000                  | 19.23                               |
| 25,000                  | 24.03                               |
| 30,000                  | 28.84                               |
| 40,000                  | 38.46                               |
| 50,000                  | 48.07                               |
| 75,000                  | 72.11                               |
| 100,000                 | 96.15                               |
| 150,000                 | 144.23                              |
| 250,000                 | 244.38                              |
